From Beautiful Panama City Beach...

The EVP Tour kicked off it's first stop with the EVP Island Presented by Rebootizer at Boardwalk Beach Resort in beautiful Panama City Beach this weekend. We started on Friday May 13, with the Beach Sports Network Corporate Challenge, the EVP Tour's new team-building event. It was a great day of action on the beach with teams playing both a 3-on-3 soccer competition and 4-on-4 round robin volleyball matches. Team Rebootizer and Team Sandy Bottom tied for first place. Hope to have more local companies come to include their selves in the fun and action. If interested contact Lori Tabbert at lori@evptour.com. You have the opportunity to participate in a BSN Corporate Challenge at every EVP Tour event this year.
